

AFREEN ZUBER SHAIKH

UI/FRONTEND DEVELOPER

SUMMARY

UI Developer with 7+ years of experience, including 3+ years specializing in React.js, building responsive, accessible web applications with consistent cross-device and cross-browser performance. Proficient in JavaScript (ES6), TypeScript, HTML, CSS, and frameworks like Redux, React Router, and Material-UI. Familiar with Git and API integration.

EXPERIENCE

Infogain - FedEx - Sustainability Platform

Consultant UI

05/2023 - 03/2025 - Mumbai, India

- Developed and maintained responsive, accessible front-end components using React.js, Material-UI (MUI), and JavaScript (ES6).
- Integrated RESTful APIs with Axios and Ajax, transforming user requirements into functional UI modules.
- Participated in Agile ceremonies (stand-ups, sprint planning, code reviews), collaborating closely with developers and QA teams.
- Improved UI performance and resolved cross-browser issues, enhancing page load speed and user experience.

Infogain - Neighborly

Software Engineer

07/2021 - 04/2023 - Mumbai, India

- Created reusable UI components with React, MUI, SCSS, and JavaScript (ES6), ensuring responsive layouts across devices.
- Integrated APIs using Axios, implemented state management with React Hooks and Redux Toolkit, and configured protected routes using React Router.
- Improved application performance through Sass optimization, Tailwind CSS, and advanced layouts using Flexbox and Grid.
- Conducted code reviews, reduced bugs, and maintained clean, scalable codebases aligned with front-end best practices.

[Udemy](#)

Infogain - KUONI

Software Engineer

12/2018 - 06/2021 - Mumbai, India

- Independently developed all HTML pages based on UX design specifications with strong attention to detail.
- Created responsive email templates compatible across major clients like Gmail and Outlook.
- Ensured full responsiveness and cross-browser compatibility across devices.
- Collaborated with UI/UX designers, backend developers, and QA to deliver high-quality, integrated front-end solutions.

Kreative Sanity

Web Developer

10/2017 - 11/2018 - Mumbai, India

- Delivered 15+ websites across retail, education, and small business clients.
- Focused on building responsive UIs using HTML5, CSS3, JavaScript, jQuery, and Bootstrap.
- Built pixel-perfect layouts based on PSDs, ensuring cross-browser compatibility.
