

AFREEN ZUBER SHAIKH

UI/FRONTEND DEVELOPER

SUMMARY

UI/Frontend Developer with 7+ years of experience creating responsive, accessible, pixel-perfect interfaces using HTML, CSS, and modern UI practices. Hands-on React.js and Next.js experience through UI-focused POCs and personal projects, building reusable components with a strong focus on performance and cross-browser consistency.

EXPERIENCE

Infogain - Neighborly

Consultant UI

03/2023 - 03/2025 - Mumbai, India

- Maintained 20+ reusable front-end components using HTML, Tailwind CSS and JavaScript (ES6), managing 20+ brands and improving developer efficiency and reducing UI defects by 15%.
- Crafted pixel-perfect, accessible UI modules with centralized theme-based CSS variables, ensuring cross-browser consistency and scalable, brand-specific theming across all brands.
- Collaborated in Agile ceremonies (stand-ups, sprint planning, code reviews), collaborating closely with developers and QA teams.
- Enhanced UI performance, reducing page load time by 35% across browsers and increasing Lighthouse accessibility score from 82 → 96.

React.js POCs: Contributed to multiple UI-focused POC's over the past few years, building reusable components, creating new UI screens (including a homepage and dashboard), and implementing basic routing in one POC to evaluate feasibility of a component-based frontend approach.

Infogain - Infogain

Software Engineer

04/2022 - 02/2023 - Mumbai, India

- Led integration of 20+ Revel pages into the Infogain website, ensuring seamless functionality and consistent UX across modules.
- Engineered reusable, responsive HTML/CSS components from UX designs, used across multiple pages, reducing QA iterations.
- Implemented standards-compliant, maintainable code,

SKILLS

Frontend / UI: HTML5, CSS3, Tailwind CSS, Material-UI, Bootstrap, SASS/SCSS

JS / Frameworks: JavaScript, React.js, Next.js, jQuery

Tools / Workflow: Git, Agile

Best Practices: Responsive Design, Accessibility, Performance Optimization, Component-Based Architecture

PERSONAL PROJECTS

Good Luck Digital Photo Studio - Next.js UI Project

Built a modern website using Next.js, React.js, Tailwind CSS and deployed via Vercel, focusing on clean UI and accessibility.

Website: goodluckdps.com

Portfolio Website - React.js UI Project

Created a personal portfolio using React.js (Vite) and Tailwind CSS with reusable UI components; deployed via GitHub Pages.

Website:

afreenshaikhst23i.github.io/portfolio

improving front-end reliability and reducing UI defects.

- Improved load performance and responsiveness, enhancing page speed and accessibility across devices.

Infogain - Neighborly

Software Engineer

12/2020 - 03/2022 - Mumbai, India

- Built pixel-perfect, accessible HTML from UX designs, ensuring seamless interaction for both keyboard and mouse users.
- Developed reusable, component-based UIs using HTML, CSS, and Bootstrap, managing 12+ brands while maintaining consistent UI across implementations.
- Implemented theme-based CSS variables to support scalable, brand-specific theming without compromising consistency.
- Strengthened performance and cross-browser compatibility, conducting rigorous testing, resolving layout shifts, and improving page speed via Google PageSpeed Insights and accessibility audits (NVDA, Axe).

Infogain - KUONI

Software Engineer

12/2018 - 11/2020 - Mumbai, India

- Independently coded dozens of HTML pages from UX design specs, ensuring pixel-perfect accuracy and reducing QA feedback cycles by 20%.
- Created responsive email templates for Gmail & Outlook.
- Ensured full responsiveness and cross-browser compatibility across devices.
- Partnered with UI/UX designers, backend developers, and QA to deliver high-quality, integrated front-end solutions.

Kreative Sanity

Web Developer

10/2017 - 11/2018 - Mumbai, India

- Delivered 15+ websites across retail, education, and small business clients.
- Focused on building responsive UIs using HTML5, CSS3, JavaScript, jQuery, and Bootstrap.
- Built pixel-perfect layouts based on PSDs, ensuring cross-browser compatibility.
